We at PMHS work very diligently to make our school a safe and healthy place where all students can succeed in receiving a quality education. The hard work you put into helping us achieve this goal is greatly appreciated and we now ask for your help with a serious health and safety issue.

The Junior Class officers are:

Brianna Tidd, President

Kelsey Whitney, Vice President

Makina Itchkavich-Levasseur, Secretary

Amanda Pellowe, Treasurer

Over the last few years we have seen an increase in the number of students who have purchased prescription medications from others for recreational purposes. The danger of a student taking someone else's prescription medication is two-fold. First there is the possibility of the student having a negative reaction to or overdosing on the medication. Second, the student who really needs the medication may not be getting it when they need it. The medications we are seeing at school are Adderall, Klonopin, Oxycontin, Percocet, Vicodin and Seroquel.

The Sophomore Class officers are:

Lexie Phillips, President

Kristine Jordan, Vice President

Ashley Collins, Secretary

Jamie Matthews, Treasurer

We ask that you monitor your child's medication (and other family members' medications) carefully at home and make the school nurse aware of it if your child needs to take medication during the school day. You can always contact me with questions, concerns or comments at rholden@pmhschool.com or by calling 875-3800. Thank you for your cooperation in this serious matter.

The Freshman Class officers are:

Cindell Corbeil, President

Hollie Couture, Vice President

Ashley Barsanti, Secretary

Brad Olmstead, Treasurer
